

## INDIAN INSTITUTE OF MANAGEMENT AHMEDABAD

### *Requires*

### *Research Associate (RA)*

A research associate (RA) position is available from July 2018 at IIM Ahmedabad for a project on Sexual harassment at the workplace. Responsibilities of the research associate include helping in setting-up interviews, conducting interviews, transcribing and conducting secondary research. The RA will be employed for a period of six months. Extension beyond six months upto a year may be possible depending on the RA's performance, at the discretion of the faculty supervisors.

The RA will be expected to work a minimum of 40 hours per week, and be required to travel within Ahmedabad and to Mumbai (travel expenses will be covered). The RA will be paid a consolidated monthly gross salary of INR 30,000 (non-negotiable). Other employment benefits (if any) will be determined by institute policies.

Applicants for the position must have, at least, a bachelors or equivalent degree from a reputed institution with experience in conducting qualitative research OR a master's degree from a reputed institution. We prefer candidates with a degree in social sciences, or a subject related to the project. The candidate should also be proficient in Hindi. Knowledge of Marathi and Gujarati will be an added bonus.

Candidates meeting the above criteria should send a consolidated PDF file containing: a) a one-page cover letter stating educational and relevant work experience, and expressing interest in the position, and b) a detailed curriculum vitae to Ms. Vinodini Raveendran at [vinodini@iima.ac.in](mailto:vinodini@iima.ac.in). The subject line of the application email should read "SV at workplace PROJECT RA APPLICATION." Shortlisted candidates will be invited for a telephone or skype interview. The project work starts in July and the position will be open until we find a good candidate.
